

COVID-19 Update

Updated February 5, 2022

We are OPEN FOR BUSINESS!! And are looking forward to another amazing season!

With restrictions hopefully being removed soon, and coming off one of the best hoppers seasons in recent memories, we look forward to another fantastic year on the Bow River!

Bookings are filling up, so don't miss out on your chance of a bent rod on the beautiful Bow River with Bow River Hookers Fly Fishing Adventures!

We have put the safety of our customers and staff as priority #1, and to comply with the Provincial guidelines we are implementing the following practices to reduce the spread:

- During the booking process all clients will be required to fill in a COVID-19 waiver.
- Clients and guides will be required to wear masks throughout the trip, including to and from the river, when social distancing cannot be maintained.
- There will be no sharing of equipment, and any equipment provided by Bow River Hookers will be sanitized prior to the trip commencing.
- Hand sanitizer will be provided on the boat, and will be used before and after any transfer of lunch containers, beverages and snacks.
- As always, individual lunch containers will be provided for each guest and guide, that will be sanitized daily.

We trust these safety procedures will make you feel comfortable booking your next flying fishing adventure with us!
